## RANGIWAEA SCHOOL NEWSLETTER #17

16<sup>th</sup> June 2011

*Another week has flown by. Next week will be Week 8 already. The focus for the rest of the term will shift from the Science Investigations to Health in the Junior class, with a specific focus on personal health and safety, and Social Science in the Senior class, with a specific focus on Global Communities.*

*Over the past couple of weeks there have been a small number of viruses and bugs about the place. It is probably timely to remind children of safe hygiene routines, such as hand washing, covering the mouth when coughing etc. We will be following up with this reminder at school also.*

Regards  
Fiona Duncan

### Board of Trustees:

**Chairperson:** Bridgette van den Broek (phone 06 – 387 6226)

**Principal:** Fiona Duncan

**Staff Trustee:** Andrea Heal

**BOT Members:** Bruce Maher Rachel Couchman  
Bernie Skinner Craig Alabaster

Strive to Succeed

### Yummy Stickers

Keep the Yummy stickers rolling in. The charts are starting to fill up. The more stickers we collect, the more sports equipment we are eligible to get for free.

### Sharing Time

Our next 'Sharing Time' is next week on Friday 24<sup>th</sup> June. Remember everyone is welcome – the students really appreciate having an audience to share their learning with. Thank you to all those that attended the last 'Sharing Time'.

### Lost Property

Last week we meant to put the lost property out for viewing and claiming however in our efficiency of tidiness we cleared it away to the roller door shed and then could not locate it. We have it back in the foyer for you to view and claim at any time that is convenient to you. There is some very good clothing in the bag. If you are in the school at any time please feel welcome to check the lost property.

### Sausage Sizzle

Our Sausage Sizzle is on tomorrow. This weekly fundraiser is continuing as usual. Please complete the enclosed form and return the form and the money to the classroom teacher in the morning.

### Three Drawer Filing Cabinet

In the foyer there is a spare three drawer filing cabinet looking for a new home. It is rather old however does operate OK. If you are interested in giving it a new home please speak to me about it.

### Science Fair Projects

Science Fair judging takes place tomorrow, with it starting at 11.00 am. The exhibits will be available for viewing from 2.00 pm onwards. We invite you to come along and view the exhibits and talk with the children about their projects. We will announce who will be representing our school at the cluster event at 2.45 pm.

A notice went home on Monday this week about our trip to view the cluster exhibits on Tuesday 28<sup>th</sup> June. If you have not already returned this we would appreciate it as soon as possible.

Rangiwaewa School Values:  
Respect, Co-operation, Honesty, Persistence and Confidence.

## Year 7 & 8 Technology

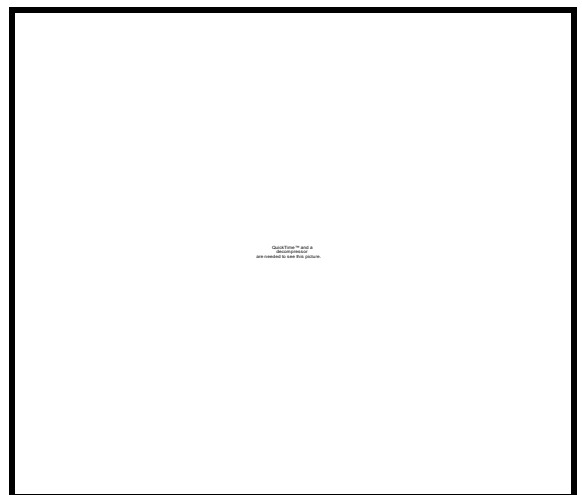

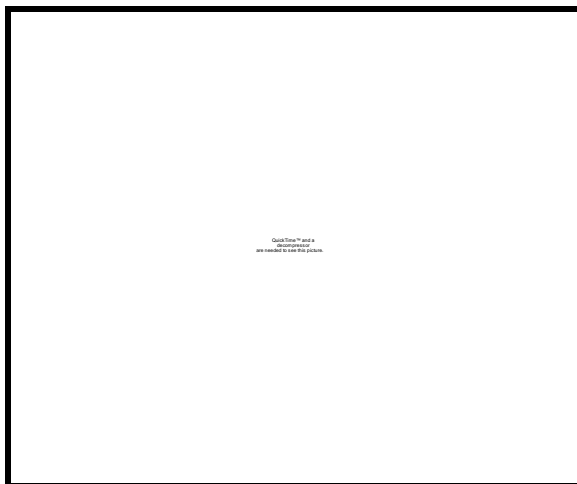

We are still short of transport for Year 7 & 8 students to Technology at Ohakune Primary School on Thursday 23<sup>rd</sup> and 30<sup>th</sup> June. If you can assist with this please contact me as soon as possible.

Regards

Fiona Duncan

**Senior class science investigation in action!**

### Self Reflection on the Science Projects.

I think I did pretty well because I had no help on my board from anyone else also as soon as we got the information I had my science experiment in my head ready to go! Also the day that I got my science board I was on to it, I am very happy with the way I conducted my experiment.

Josh Rose-Blumenthal

I honestly think I did well but I think I could have done a bit better on my conclusion. I thought mine was good because it was easier than I thought mine and exciting watching it. It went quick and I was on to it and that's why its done!

Caitlyn Alabaster
