## RANGIWAEA SCHOOL NEWSLETTER #24

20<sup>th</sup> August 2010

*Last week we had DoC Ranger Anna McKnight come and meet all of the children at Rangiwaewa School. The children, lead by Ranger Anna, brainstormed some ideas and thoughts about plants and trees. The children learnt about the different kinds of leaves trees have. Ranger Anna was very impressed with our children and thought they were 'very smart and neat'. Over the next few visits, the children will learn more about identifying trees and will spend time down by the native trees, along the river edge. We will also have Aaron Madden from Horizons come and visit next week, as Horizons have offered to help with planning some more native plantings around the school.*
