## RANGIWAEA SCHOOL NEWSLETTER #22

5<sup>th</sup> August 2010

Today we are holding our Student Led Conferences. At these Conferences the children and their teacher will be sharing their progress, so far this year. All of the children at Rangiwaewa School have made progress and we look forward to sharing that with parents today and this evening. The information shared will also be in relation to the National Standards. When parents arrive for their Conference time, please take the time to have a look at the National Standards information board in the Office Foyer and provide some feedback to us about your understanding of the National Standards. The School Library will serve as a waiting area and we ask that each child be included in the Conferences as it is all about them!

### The Role of the Board in National Standards Workshop Waiouru School Monday 9 August 2010, 6-8pm

The above workshop is being held at Waiouru School. As the Rangiwaewa School BoT has two vacancies, approval has been given for potential trustees to attend. This provides an excellent opportunity for potential candidates to gain an insight into the responsibilities of the Board.

From a practical point of view, most BoT training is conducted in Wanganui or Palmerston North so this is an opportunity to attend locally held training. At the moment, the training evening is under subscribed and may be cancelled. Anyone who is interested is urged to contact Bridgette van den Broek on ph 06 – 387 6226 or email [nzvb@xtra.co.nz](mailto:nzvb@xtra.co.nz) as soon as possible.

### Year 7 and 8 Technology

Technology was cancelled today due to the unavailability of teachers. Technology will continue as normal, next week and if we are able to get an extra day slotted in somewhere, we will let you know.

### Sausage Sizzle

Sausage Sizzle tomorrow, Friday. Please complete the attached form and return it with the money, to the classroom teacher, in the morning.
