RANGIWAEA SCHOOL NEWSLETTER #10

7th April 2011

We had a 97% turnout of parents at our Parent and Teacher Conferences last week, a very pleasing attendance. The Teachers and children shared their great results and where the children have started from at the beginning of the year.

We have a number of children suffering from sniffles, coughs and general misery. Children are being reminded to wash their hands, blow their noses and if children are ill, please keep them at home until they are better. If children are away, please ring and leave a message at school to let us know.
